The Brevard Humane Society’s mission statement is to provide animal welfare shelters and programs that foster a humane ethic toward all animals. We also strive to deepen the community’s commitment to spaying and neutering, as well as to the adoption of homeless companion animals. We believe this to be essential to achieving our purpose of humane care and treatment of all animals, and to succeed in becoming a “no-kill” community.

Founded in 1952, the Brevard Humane Society is the county’s oldest established animal welfare organization. A no-kill shelter and sanctuary, we are dedicated to speaking for those who cannot speak for themselves. We care for over 1,800 animals per year, funded solely through donations, services and fundraisers, not tax dollars.
I’d like to take this opportunity to thank our community for simply “loving animals” and helping the Humane Society find every one of them a new family to love them and take care of them for the rest of their lives.

Animals express their love and gratitude in many different ways. Some of them simply wag their tails, others rub their whiskers against us - yet all of them stare directly in our eyes showing their love and appreciation. Animals do so much for us. They are our “best friends” and will be loyal to us for their entire lives. Dogs and cats will protect us (yes, even cats). I have read many stories of cats as well as dogs attacking intruders!

How many of our seniors find comfort in the company of a pet? How many veterans get psychological support from their adopted pet? How many children learn how to simply “love” one another by taking care of an animal? Animals are an invaluable part of society. Our community has supported us in so many ways in the past year that I’ve been President, and, our Board of Directors has always been there supporting us educationally and financially. I would like to take this opportunity to thank our Board members for their constant contributions in supporting our County’s unwanted animals and all of our employees and volunteers for their hard work and compassion shown to all our animals. Our Director, Theresa, works feverishly and unselfishly with other animal welfare agencies, the Sheriff’s Department and the Brevard County Commissioners to improve the conditions for animals, and with Theresa’s years of experience, our County will continue to operate as a “no-kill” county as there is no stopping Theresa when it comes to what is best for the animals.

We need to keep working on stopping “puppy mills” from bringing animals into our community, and report any abuse directly to the Sheriff. Our Humane Society has found “forever” homes for over 1500 homeless animals this past year. We have taken in over 100 dogs from Puerto Rico and have found all of them homes. I’m sure in 2020 we will be finding animals from the Bahamas that suffered through one of their worst hurricanes in decades, their “forever” homes.

On a personal note, many of you know I lost my best friend, “Sampson” this past July 18th. I know I did everything possible to keep him healthy and happy with me and I’m looking forward to being with him again one day. Cancer is the ugliest form of torture there is for humans and animals. His loss just broke my heart. I’m hoping someday another great animal companion like Sampson will find me and partially fill that void that he has left in my heart. We should all be so lucky to experience the love and comfort an animal can bring to you! Here’s to a wonderful 2019 and an even better 2020 for our animals!
Our community is awesome in so many ways! Let’s review our progress…

Wow, what a year it has been!

So many animals have passed through our doors and been rehomed. We have also prevented so many more from being born through our awesome spay/neuter programs! We are again holding a solid 96% live release rate (thanks in part to our wonderful foster volunteers!). Many animals come to us that are in such poor shape that we have to send them to “Foster Homes” to physically (and sometimes mentally) recover to become healthy and ready for adoption. We never have enough volunteers for this greatly needed process (for cats and dogs), so if you are considering it, please come see us! Along with very thin dogs and hair-matted cats, so often we receive into the facility what we lovingly refer to as our “itty bitty kittens” who are so tiny and helpless. It takes a special kind of person to take them home and try to be their “mommy” to help them live. Since we do not know what happened to their mom, it is hard to take on these precious little lives since many of them won’t make it. Maybe mom abandoned them because she knew they were not viable, or, maybe mom was frightened off, either way they are found and brought to us. We make sure they get all they need to survive if that is God’s will. If they do not make it, at least we know they were loved and cared for until their time to pass over the Rainbow Bridge. Many do survive and those are the ones we revel in their success! Thank you to all you special Foster Volunteers who put themselves out there for these precious tiny creatures! We could not do it without you.

It takes a lot of training to care for these tiny creatures. Actually, it takes a lot of training to handle all the different situations that arise in the Adoption Centers and we recognize that training need. Since we identified this “need”, we built a new training facility on Cox Road across from the Intake and Adoption Center. The “Learning Center” is currently being wired in electrically and is scheduled to be completed before this writing is published! We are so excited to get the facility completed and opened as we will use it not only for training Volunteers and Staff, but also for educational sessions for the public! Whether it is Pet First Aid or Dog Training, this facility will become a hub for old and young alike to be able to help the animals in our community! The facility is slated to be operational by November 1st and we are ready to move in and start training!

We have continued to help our neighbors in Puerto Rico with the pet population. It has been two years since Hurricane Maria hit them so hard but we know they still have a ways to go before they are back, so we are still taking in animals from them and finding them homes here. Many thanks to the volunteers who travel to the Miami Airport to pick them up, and to the many, many homes that have adopted them!

We can see some progress as the back of the Cox Road property is currently being cleared for the exterior fence to be erected. This will outline the parameters for our “Heavenly Paws Memorial Sanctuary”, a pet cemetery that will be established for the community to have a serene place they can bury and visit their pet. It is expected to be completed in phases and this is just
Our community is awesome in so many ways! Let’s review our progress… the first phase of four. It is anticipated to open the Sanctuary by next Fall to the public. In the meantime, the Heavenly Paws Chapel and Cremation Services continue to support the bereaved who have lost their beloved pets. The annual Blessing of the Animals on October 4th was a testament to the love we hold for our four-legged family members. We had a large turnout for the Padre to bless all the animals. We hope next year to be able to also include the Memorial Sanctuary in the Blessing.

Speaking of Blessings, we have embarked on a new partnership with the Pet Supermarkets in Brevard County! They are housing cats for us and finding forever homes for them! This started in July and we have adopted out over 40 cats so far! We are able to take in many more cats than before since we now have another place for them to stay! We are also able to take them from the County shelter so they don’t have to be returned to the field (or put on the street so they don’t have overcrowding). A true blessing for the kitties!!!

Looking to the future, we finally are getting the plans for the pet hotel build! The Merritt Island building currently houses our Adoption Center that continues to be a great resource for adopting out more small dogs and lots of cats. We hope to start the Pet Hotel this New Year!

I would be remiss to not make mention of Planned Giving. Bequests, which are when someone leaves money or valuables in their will for an individual or organization, are the most common way to set up funds for those (or organizations you support) you leave behind. Don’t get me wrong, we are so grateful for all the generous donors who thought of our mission and included us in their final plans and we could not do what we do for the animals without those funds. If you have not made your end of life arrangements, we encourage you to do so, regardless of what your plans are for those funds. Of course, it is so appreciated when people think of the animals during this process, as even 5% of an estate can save so many animals lives! There are also a number of other ways one can help without dying to do it!

If you are interested in discussing these options, please don’t hesitate to contact us!

I close this year’s reflections with a very grateful “Thank You” to our Board of Directors who are hardworking volunteers who have supported our efforts all year long. No matter what happens, they are there for the animals and in the community spreading the word of their needs. For that, I am most grateful! As our valuable workforce team continues to hold the front lines and care & protect the animals in our care, I am comforted knowing they are safe. Without them, volunteers and the support of the community, we would not exist and it is only the animals that suffer if we are not successful in our mission. Thank you all for your support. My toast is the same this year as last: may it bring us more spayed/neutered animals and less of them homeless!

Theresa Clifton
Executive Director

Annual Report 2018/2019
### ADOPTIONS

- Intakes: 1,671
- Returns: 63
- Spays: 616
- Neuters: 488

### FAF GRANT (Florida Animal Friends)

- Spays: 616
- Neuters: 488
- $25K Grant for Feral and Community Cats

### WELLNESS

- Vaccinations: 6,915
- Euthanasia: 341
- Owner Requested: 292

- Live Release: 97.1%
- Total Visitors: 17,210

- Spays: 430
- Neuters: 440

- Spays: 436
- Neuters: 343

Only .08¢ of every dollar donated is utilized for administrative expenses.

The Brevard Humane Society is not a county agency nor are they affiliated with any national or regional organization. Tax-deductible donations, bequests, and proceeds from events are crucial to their life-saving mission and efforts on behalf of the homeless animals.

{ vol·u·ne·sia }
(noun)

The moment you forget you are volunteering to help change lives, because it is changing yours.

Our Volunteers
Our Volunteers are key components in the success of our organization. These individuals are a major part of making our community a safe and more humane place for homeless animals. They not only make the jobs of everyone working for animals a little easier, but they help educate the public by spreading the message of responsible pet ownership and animal protection. In the past year, our volunteers have logged countless hours of service and we thank those who have devoted such a huge portion of their time to our cause. We could not do what we do without their dedicated assistance.

49,012.15
Volunteer Hrs.

$1,246,378.98
In-Kind Equivalent

Volunteers are not paid—not because they are worthless, but because they are priceless.
