Yappy Hour in the Yard at 4th Street Fillin Station

We kicked off the start of summer on Saturday, June 24th with our Yappy Hour in the Yard Event Presented by Titos Handmade Vodka and 4th Street Fillin Station. Two of our adoptable dogs, Suzie and Minnie, received lots of superstar attention while our BHS Volunteers Teresa, Holly, Ezra, Krystyn, Tami, and Michelle represented us with prize drawings and collection of much needed donations for our rescue pets. Big thanks to these awesome volunteers and to our community for all of your support!

Best Pets of Brevard Photo Contest

We received hundreds of adorable pet photo entries for our Best Pets of Brevard photo contest. A photography panel of judges will have the tough decision of narrowing down our entries for our next stage. We will need your help voting on who will be crowned our calendar cover model. Our voting poll will be available on our website starting mid July and open for one week. Stay tuned for updates. Calendar pre-orders will be available in August. Calendar sponsorship opportunities are still available

Volunteer Spotlight

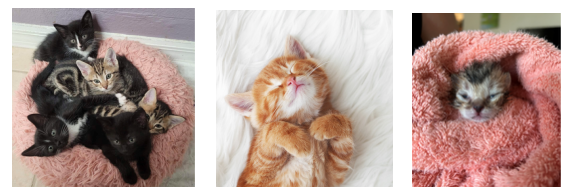

Sean Will & Masa Nishimuta

If you have spent time volunteering at our Cocoa Campus then no doubt you have witnessed this dynamic duo working with our rescue pups. BHS Volunteers/animal behavior specialists, Sean Will and Masa Nishimuta from Constructional Approach to Animal Welfare and Training, are often found working one-on-one with our dogs in the play yard. Their motto is to "remove the financial barrier of behavior support and training with animal and their humans" and we are truly blessed that they have gifted our rescue with their knowledge and resources. Sadly, many of our rescue pups often come from harsh beginnings and learning to trust is a huge obstacle for them. Sean and Masa's gentle and patient approach has helped many of our dogs that arrived to us with behavioral issues, overcome and get placed in fantastic forever homes. We thank you both for your dedication and for all that you do for our pups!

Interested in Fostering with Us?

Our foster volunteers are truly lifesavers! This kitten season we were able to save hundreds of kittens thanks in part to our wonderful fosters providing refuge and TLC to these sweet babies. We could not have done it without you and the outpouring of kitten shower donations from our community. To find out more about fostering with us visit: <https://brevardhumaneociety.org/foster/> or email us at volunteer@brevardhumaneociety.org
