Founded in 1952, the Brevard Humane Society is the county's oldest established animal welfare organization. A no-kill shelter and sanctuary, we are dedicated to speaking for those who cannot speak for themselves. We care for over 1,800 animals per year, funded solely through donations, services and fundraisers, not tax dollars.

Brevard Humane Society

Board of Directors

The Brevard Humane Society's mission statement is to provide animal welfare shelters and programs that foster a humane ethic toward all animals. We also strive to deepen the community's commitment to spaying and neutering, as well as to the adoption of homeless companion animals. We believe this to be essential to achieving our purpose of humane care and treatment of all animals, and to succeed in becoming a "no-kill" community.

Letter from Sandi Trudeau

President of the BHS Board

We've had such a great year with finding forever homes for homeless animals, averaging over 100 animals each month. I was afraid this year we would find ourselves overwhelmed with animals being surrendered by their owners due to being able to return to work after Covid. I am thankful I was wrong as not only did we not have to endure an unfortunate experience such as that, but we are still finding forever homes for over 98% of the animals that we rescue!

Much of our success is credited to our Executive Director, Theresa Clifton, who is the backbone of our organization. Her hard work and vision for the future of animal care at the Humane Society is commendable. She put the final touches on the Brevard Bed & Biscuit, a doggy daycare/pet hotel, and that came to fruition after several years of saving funds to make this endeavor possible.

Theresa has now set her sights on a campaign to rebuild our intake and adoption center that is over 60 years old and in dire need of upgrades and modernization. This project could cost upwards of \$5 million, and I know, with dedication and commitment, we can make this happen for all the homeless animals that come to us in the future. However, we need the support of the community make that a reality.

As I retire from the Board that I have enjoyed serving on since 2008, i will miss the camaraderie and animal success stories we have shared over the years. I thank the board of directors for their years of service and support they have given to help the homeless animals as well. Particularly in the last year of COVID challenges, our board secretary, Susan Palmbach, shared all her technology information, which got us through the new age of "zoom". And to board vice president, Rich Carpenter, who also does such an excellent job with his official duties, all the while walking dogs, and helping out at the shelter in his off time. To our treasurer, Dianne George, who spreads our mission to all who will listen in the community and has served as treasurer for so many years. Her dedication is exemplary, especially with the difficulties the budget challenges us with each year. And to the rest of our board; Michelle Earltinez, Laura Kutryb, Tom Yardley, Brenda Mulberry, Trisha Frazier, Brian Hawkins, and Kathleen Davies, for spreading the word, selling tickets to events, and giving solidarity as the leadership team, who have supported me as president and made my job enjoyable. I thank you all!

I plan on continuing to support the Brevard Humane Society and its endeavors to help the homeless animals in our community, and pray the community will step forward and join me as we continue to find forever homes for those who cannot speak for themselves.

Sincerely,
Sandi Trudeau.

Executive Summary

Theresa Clifton

BHS Executive Director

When I first accepted this position 18 years ago, my focus was the same as it is today, to save the homeless animals, regardless of where they came from. I am happy that we have been able to not only maintain Brevard County with a no kill status, but also have extended our support to countless other communities to help them reduce their pet over population as well. Our partnership with Puerto Rico has continued over the last five years to bring hundreds of dogs to a safe haven, and ultimately, into "forever homes". We are blessed to be able to partner with so many other animal rescues, moving the precious creatures to our facilities, so they have a chance of finding their forever homes.

What exciting yet challenging times we have had with COVID. Still a daily reminder but not an insurmountable obstacle for our mission. We have been so blessed with support from the community through bequests, grants, and donations that have really helped us save so many more animals lives. We are still averaging a 97.39% live release rate, which I have been told makes us a "unicorn" of animal rescues as unfortunately many other organizations are seeing higher returns and are having lower adoption rates. We have held steady numbers on average returns and are continuing to see increases in annual adoptions. And although we had a late kitten season, it was one of the busiest we've seen in a while. We have been very blessed with much support from our community for the Itty Bitty Kitty Committee's efforts to save and find homes for all of the bottle baby kittens.

Our Low Cost Spay Neuter and Wellness Clinic continues to be overwhelmed with business! We are so excited to partner with the Daphne foundation who has provided grant funding to spay or neuter our community cats. This is already showing signs of a reduction of kittens and we are grateful for the foundation's generosity!

We finally opened the Brevard Bed And Biscuit doggy daycare/pet hotel and it has been very well received. The rooms are getting very popular and being booked quickly. This is bringing in extra funding for us to be able to continue caring for the animals at our shelter in the manner they have become accustomed. We also created a program at the hotel called the "Pet Safe" program that allows a pet to stay at the hotel at no charge for up to two full months while their pet parent who is displaced from a domestic violent home relocates. It is funded through private donations and grants. We have already had success with several utilizing this service.

Executive Summary

Theresa Clifton

BHS Executive Director

As most are aware, we have long outgrown the facility on Cox Road as the building is over 60 years old. The annual Tuxes And Tails Gala continues to be our best attended and supported event to date. We have earmarked a significant portion from our gala towards the rebuild as we have faulty wiring, failing underground piping, and outdated, cramped spaces for the animals. We are working to raise enough funds in the next few years to rebuild the facility and bring it to a level that the animals deserve while they wait for their forever homes.

We have been blessed again to be selected as Subaru Of Melbourne's hometown charity, and are grateful for their partnership and support of the homeless animals in our community. We have been able to hold several adoption events at their dealership location in Melbourne, which has given us another venue to show case and find homes for the animals in our care.

We are so grateful for all the generous donors who thought of our mission and included us in their estate planning activities. We could not do as much for the animals without these funds. If you have not made your end of life arrangements, we encourage you to do so, regardless of what your plans are for those funds. Of course, it is so appreciated when people think of the animals during this process, as even one percent of an estate can save so many animals lives.

Shout out to my amazing board of directors that work tirelessly behind the scenes. They donate their time and expertise to help guide this organization and i truly appreciate their passion and commitment to our mission. I also want to acknowledge all of the hard-working staff and the many unsung heroes we call volunteers, who have given their energy and their hearts to our rescue efforts. Whether they donated money, property, materials or time, they have made a difference in the lives of our beloved, four-legged friends! Without them and the community, we would not be able to succeed, and in the end, it is only the animals that suffer if we are not successful.

Thank you for all of your support!

With Gratitude,
Theresa Clifton
